Read the following passage and answer the questions using the information given in the story.

### Bellum Cum Sabinis

Roma primo multos viros, paucas feminas habebat. Romulus, rex Romanorum, hoc consilium cepit. Finitimi Romanis erant fines Sabinorum. Sabini multas filias habebant. Romulus Sabinos cum feminis liberisque ad publicos ludos invitavit. Sabini, et viri et feminae et liberi, ad urbem

novam libenter (gladly) venerunt. Neque arma neque gladios portabant. Omnes in Foro ludos spectabant.

Signum a Romulo datum est. Romani magna cum celeritate pueras Sabinas ceperunt et domum (home) contenderunt. Patres fratresque Sabini magnopere permovere bantur, sed sine armis pugnare non poterant. Postea erat bellum inter Romanos Sabinosque.
