VI. Use the following passage from Caesar (*De Bello Gallico* IV, 23) in order to answer questions 41-50.

His constitutis rebus, nactus idoneam ad navigandum tempestatem tertia fere vigilia solvit equitesque in ulteriorem portum progredi et naves descendere et se sequi iussit. A quibus cum paulo tardius esset administratum, ipse hora diei circiter quarta cum primis navibus Britanniam attigit atque ibi in omnibus collibus eitas hostium copias armatas conspexit. Cuius loci haec erat natura atque ita montibus angustis mare continebatur, ut ex locis superioribus in litus telum adigi posset. Hunc ad egrediendum nequaquam idoneum locum arbitratus, dum reliquae naves eo convenienter ad horam nonam in ancoris expectavit. Interim legatis tribunisque militum convocatis et quae ex Voluseno cognovisset et quae fieri vellet ostendit monuitque, ut rei militaris ratio, maximeque ut maritimae res postularent, ut, cum celerem atque instabilem motum haberent, ad nutum et ad tempus omnes res ab iis administrarentur. His dimissis, et ventum et aestum uno tempore nactus secundum, dato signo et sublatis anchoris, milia passuum septem ab eo loco progressus aperto ac plano litore naves constituit.

41. The best translation of **his constitutis rebus**
 a. while they were deciding these things
 b. when these affairs had been settled
