## *NLE Preparation*

It's that time of year again...The National Latin Exam is quickly approaching. The NLE is an exam designed to test an individual's knowledge on the subject of Latin, including comprehension, mythology, Roman life, history, derivatives, and a series of questions based on a short passage written in Latin. The exam is open to anyone who is currently enrolled in or has completed a Latin course in that academic year. There are exams available for Latin I, II, III, Latin III-IV Prose, Latin III-IV Poetry, and Latin V-VI. This year testing is the week of March 14-18, 2011. Tests are given for forty-five minutes.

There are also awards given to those who show exceptional scoring on the NLE. Perfect papers receive a hand-written certificate. Top scorers

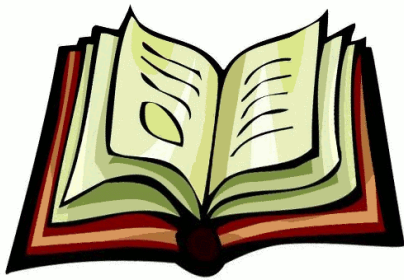

receive a gold medal and a Summa Cum Laude certificate. Second place receive a silver medal and a Maxima Cum Laude certificate, third place a Magna Cum Laude certificate, and fourth place a Cum Laude certificate. In addition to these awards, special awards are given. If an individual earns four gold medals, they receive the Maureen O'Donnell Award, and individuals who earn three or more perfect papers, or five or more gold medals receive the Carter Stubbs Drake Goad Award. There is also a \$1000 Scholarship available.

To enter, there is a \$4 fee for entries in the United States. Applications were due by January 18, 2011. For more information, visit <http://www.nle.org/>. To those who are taking the National Latin Exam this year, Bona Fortuna!

## *NJCL Service Project*

This year's NJCL Community Service Project theme is "To literacy and beyond" which will work in accordance with the 2011 National Convention theme "bene legere saecula vincere", "to read well is to conquer the ages". The competition will include any service work done between December 1, 2010 and July 25, 2011. Some suggestions for community service ideas in relation to this theme are book drives, tutoring students, aiding elementary students, library partnerships, book sales or literacy campaigns. Community Service is a very important part of our club, and all chapters are invited to participate in this year's project. For more information and complete literature on the 2010-2011 NJCL Community Service Project, visit [NJCL.org](http://NJCL.org).

## *State Preparation*

With State only one month away, excitement is in the air! This year's theme is "even one hair has a shadow". This year's FJCL State Forum will be held from Thursday April 7<sup>th</sup> to Saturday April 9<sup>th</sup> in Orlando. But, there are many preparations that need to be made before that fateful weekend.

Most importantly, all registration forms must be postmarked no later than March 5<sup>th</sup>, or March 19<sup>th</sup> with a \$50 late fee. If you are traveling, make sure you make your arrangements soon. Many clubs that are far away take charter buses, and some schools share. Some schools opt to make an excursion to a theme park or other activity before or after the convention, and since convention is conveniently located in Orlando, there are

many options to choose from.

Upon arrival at convention, make sure all projects and creatives are registered after checking in. Next, your school should begin preparing for the opening assembly, and a fan favorite, spirit competition. A Majority of your school should be wearing togas, and remember, **NO HOTEL LINENS SHOULD BE USED!** There is an array of activities planned for Thursday evening after spirit, including a movie and karaoke. Also, Certamen registration and first round is now on Thursday evening. Remember to get a good night's sleep for Friday!

Friday is filled with tests, creatives contests, ludi, bazaar, Certamen, That's Entertainment! and a dance. There's so much to do, it's easy to miss something, so make sure you plan out your time well. Also,

make sure you voting delegates make it to open forum to learn about the candidates for next year's officers. Saturday is the long awaited awards ceremony. Awards for all the events are announced, as well the new officers. Then, sadly, State forum 2011 will come to a close.

Continue to study, prepare your spirit theme, plan out your ludi, and get ready for a great 2011 FJCL State Forum!
