The following is a short excerpt about the rule of Romulus. Select the best answer for each question following.

Conditā civitate, quam ex nomine suo Romam vocavit, haec egit: Multitudinem finitimorum in civitatem recepit, centum ex senioribus legit, quorum consilio omnia ageret, quos senatores nominavit propter senectutem. Tum, cum uxores ipse et populus suus non haberent, invitavit ad spectaculum ludorum vicinas urbi Romae nationes atque earum virgines rapuit. Commotis bellis propter raptarum iniuriam Caeninenses vicit, Antemnates, Crustuminos, Sabinos, Fidenates, Veientes. Haec omnia oppida urbem cingunt. Et cum ortā subito tempestate non comparuisset, anno regni tricesimo septimo ad deos transisse creditus est et consecratus. Deinde Romae per quinos dies senatores imperaverunt et his regnantibus annus unus completus est.
