 “Cadmus wondered how his men had perished. ”
 a. periverant b. perivisse c. perivissent d. perirent

**IV. The following questions are based on this passage from Caesar, *De Bello Gallico*, Ab 5.8-9
 Caesar sails to Britain and begins his second invasion.**

Accessum est ad Britanniam omnibus navibus **meridiano** fere tempore, neque in eo loco hostis est visus; sed, **ut** postea Caesar ex captivis cognovit, cum magnae manus eo convenissent, multitudine navium perterritae, a litore discesserant ac se in superiora loca abdiderant. Caesar, exposito **exercitu** et loco castris idoneo capto, ubi ex captivis cognovit quo in loco hostium copiae **consedissent**, cohortibus decem ad mare relictis et equitibus trecentis, qui **praesidio** navibus essent, de tertia vigilia ad hostes contendit, eo minus veritus navibus, quod in litore molli atque aperto **deligatas** ad ancoram relinquebat, et praesidio navibus Q. Atrium praefecit. Ipse noctu progressus milia passuum circiter XII

hostium copias conspicatus est. Illi equitatu atque essedis ad flumen progressi ex loco superiore nostros prohibere et proelium committere coeperunt. Repulsi ab equitatu se in silvas abdiderunt, locum nacti egregie et natura et opere munitum, quem domestici belli, ut videbantur, causa iam ante praeparaverant: nam crebris arboribus succisis omnes **introitus** erant praeclusi. Ipsi ex silvis rari propugnabant nostrosque intra munitiones ingredi prohibebant. At milites legionis septimae, testudine facta et aggere ad munitiones adiecto, locum ceperunt eosque ex silvis expulerunt paucis vulneribus acceptis. Sed eos fugientes longius Caesar prosequi vetuit, et quod loci naturam ignorabat, et quod magna parte diei consumpta munitioni castrorum tempus relinqui volebat.
